

Call for EUC 2007 Workshop Proposals

held in conjunction with

The 2007 IFIP International Conference on
Embedded and Ubiquitous Computing (EUC 2007)
Taipei, Taiwan, December 17-20, 2007

The 2007 IFIP International Conference on Embedded and Ubiquitous Computing (EUC 2007) will be held at Taipei, Taiwan, from December 17-20, 2007. Six to seven workshops will be held in conjunction with EUC 2007. The workshops aim to explore special topics and provide international forums for scientists, engineers, and computer users to exchange and share their experiences, new ideas, and research results on hot topics on embedded, real-time, and ubiquitous computing systems. Workshops for presenting papers from industrial companies and papers on implementations of systems and services are very welcome. The chair (or the leading co-chair) of a workshop will be a co-editor of the Proceedings of EUC 2007 Workshops.

Most EUC 2006 workshops will continue in 2007. For list of those workshops please see <http://euc.wonkwang.ac.kr/main08.html> or contact the workshop co-chairs.

In general, a workshop takes one day, although multiple-day workshops and half-day are welcome. If you would like to organize a "one-day" workshop, 10 to 12 accepted papers and presentations would be necessary. Please send a workshop proposal by 15 March 2007 to:

Prof. Mieso Denko
EUC-2007 Workshop Co-Chair
E-mail: denko@cis.uoguelph.ca
or
Prof. Chi-Sheng (Daniel) Shih
EUC-2007 Workshop Co-Chair
E-mail: cshih@csie.ntu.edu.tw

The workshop proposal should include following information:

1. Title of the workshop: International Workshop on ...
2. Workshop chair(s): name, affiliation, address, phone and fax numbers, e-mail
3. Brief description of the workshop (several hundred words)
4. Expected number of papers to be submitted
5. Call for paper of the workshop (draft version)
6. Tentative list of program committee members

The proposals will be reviewed as soon as they are received. We will send the notification to you soon.

Each workshop will start to distribute a call for paper after receiving the notification. Papers submitted to each workshop will be reviewed by the program committee and external reviewers of the workshop. The tentative schedule is as follows:

Workshop proposal submission due:	15 March 2007
Paper submission due:	17 May 2007 (or specified by the workshop)
Acceptance notification:	6 August 2007 (or as specified by the workshop)
Camera-ready due:	4 September 2007
Author registration:	4 September 2007
Conference:	17-20 December 2007
